Volunteer with United Way

United Way's Volunteer Center coordinates both community-wide and personalized Days of Action. Please contact United Way and allow us to connect you and your employees to a volunteer opportunity that suits your interests.

Volunteer projects include:

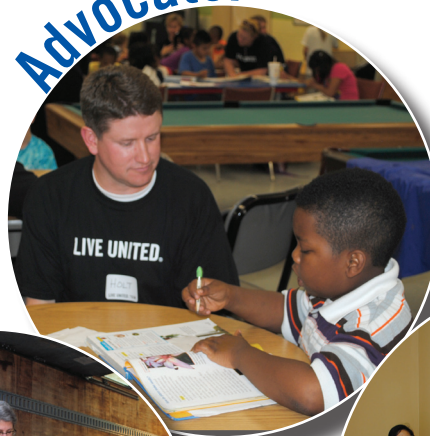

- Read at a child development center for homeless children or with the Midlands Reading Consortium (MRC)
- Lend a hand at the community's winter shelter
- Help a neighbor on the road to financial stability with the Volunteer Income Tax Assistance (VITA) program
- Spend the afternoon mentoring at-risk youth
- Serve meals to homeless families at a soup kitchen
- Clean up and organize clothing at shelter facilities
- Deliver meals to home-bound seniors

"When we finished our volunteer day at the Boys and Girls Club, Wells Fargo volunteers left with a sense that we received far more from the children than we gave. The United Way and its staff were instrumental in identifying the opportunity and we appreciate everything they do for our community."
