UNITED IS THE WAY

You help United Way create generational change by meeting immediate needs, creating cycles of success, and empowering people to build their own paths to stability.

When you give to United Way, you're helping more than just one cause. You're a driving force in helping our community take a look at the whole picture, closing gaps and finding solutions together.

We may come from different backgrounds and different walks of life, but we are all working toward the same goals. We all want to live in a thriving community where people look out for each other, where we all feel safe, and where children can succeed in school and adults can find good jobs.

Join us in making a meaningful difference in our community, for our community. Let's create change that will benefit us all – as well as the generations that come after us. Will you join us? Donate or volunteer today.

United Way of the Midlands has a 4-star rating on Charity Navigator, the highest rating on the nation's largest and most-utilized evaluator of charities.
